Your sponsorship offers a unique opportunity to advertise to over 300 professional guests, by gaining their interest during the event via advertisements. Additionally, your sponsorship is advertised to our 600 followers across our social media channels. Your brand will be displayed during the event including on the inside cover of our menus and your logo and linking URL will be displayed on our website, and on all of the marketing material. Your support will be greatly appreciated, and your sponsorship will be recognised by the host during the evening.
